Bramblewood is a boutique retirement village located in a quiet pocket of Normanhurst, 23kms north of Sydney's C.B.D. The area is characterised by leafy bushland and abundant bird life.

The residents at Bramblewood own their properties outright on strata titles. We are happy to advise that the village is also pet-friendly.

The lifestyle at the village is relaxing and secure. All building and garden maintenance is taken care of by professional village staff and residents have more time and freedom to pursue the simple pleasures like family, friends, travel and hobbies.

Prices are correct at time of upload and are subject to change. You will pay a departure fee when you leave this village which will impact the capital gains you receive.
