A unique aged care alternative. Aged care has never looked like this.

Glengara Care apartments is a brand new, premium and positive alternative to aged care located within the existing Glengara Retirement Village.

Your care needs might be higher, but you can still lead a wonderful life in a home designed to meet your needs, surrounded by a supportive community.

Unlike most aged care, you can continue to share your life with your partner. Your beautifully appointed apartment is designed for both of you, even if one of you has few, if any, care needs. You can even bring your pet!

Your Glengara Care apartment is your own private space with the freedom to entertain your family and friends. Every apartment is designed with a separate bedroom, lounge room, dining area, kitchenette, bathroom, and outdoor space.

You can progress from low to high care without moving out of your care apartment and your loved ones can feel confident in knowing our care staff are on-site and alert 24 hours a day. Our registered nurse-led model of care offers residents nursing-home level care in their own private home. You don't need an ACAT assessment, so you can move straight in.
